

# Ayush Vikharankar

7208521535 · a.vikharankar@somaiya.edu · college student  
kalyan-mumbai

## OBJECTIVE:

Driven and innovative college student seeking an internship opportunity in Flutter app development and data visualization. Eager to apply my skills in Python, JavaScript, HTML, and CSS to contribute to UI development, integration, and data analysis projects.

## EDUCATION & CERTIFICATIONS

### Bachelor of Technology in IT (2026)

Majors: Information technology  
Honours : artificial intelligence

## SKILLS:

- Programming Languages: Python, JavaScript
- Frontend Development: HTML, CSS
- Frameworks: Flutter (basic understanding)
- Data Analysis: Data visualization, Statistical analysis
- Tools: Git, Visual Studio Code, Jupyter Notebook

## PROFESSIONAL EXPERIENCE

### Projects

Github profile : [https://github.com/AyushV14/Frontend\\_websites](https://github.com/AyushV14/Frontend_websites)

#### Frontend

- **TV Series and Movies Review Website** (HTML, CSS, JavaScript)
  - Designed and developed a responsive website for users to review and rate TV series and movies.
  - Implemented user authentication and authorization features.
  - Integrated API for fetching movie and series data dynamically.

#### Python

- Created interactive games including Tic-Tac-Toe and Hangman using Pygame library.
- Implemented game logic, user interface, and scoring systems.
- Utilized object-oriented programming principles for efficient code structure.

## KEY COMPETENCIES

### Attention to Detail:

Keen attention to detail in UI design, coding practices, and data analysis, ensuring high-quality deliverables and accurate results.

### Time Management and Prioritization:

Ability to manage multiple tasks, meet deadlines, and prioritize work effectively, ensuring timely delivery of project milestones.

### Frontend Development Proficiency:

Demonstrated ability to design and develop responsive, user-friendly interfaces using HTML, CSS, and JavaScript.
